

### **Managerial challenges in sustainable and international business**

We are looking for an experienced and trustworthy Manager who can and will continue our good development. The attractive position entails overall responsibility for our Norwegian units. Focus on continuous improvements and optimal capacity utilization are important. Together with skilled teammates, you will further develop the organization, business oriented and internationally.

We offer a challenging role with good remuneration and development opportunities in an international industrial company with a real focus on sustainability.

### **Responsibilities and tasks**

The responsibility is mostly about Managing, operating and further developing the company, both future-oriented and optimally for our overall and global business. We expect main focus on stable deliveries from our Norwegian units.

#### Relevant tasks and areas:

- Manage, inspire and further develop the Management team
- Overall responsibility for the operation and development of all functions in the Norwegian business
- Management and organizational responsibility, with a focus on predictability, healthy finances and wise improvements
- Close contact with the chairman of the board and the owner

### **Qualifications**

- Successful, international and industrial management experience
- Good skills digitally and linguistically
- Higher education

### **Personal characteristics**

It is important to have business acumen and Managerial qualities, characterized by direction, trust and real motivation.

#### In addition, we hope you are:

- Long-term, strategic and holistic thinking
- Result-oriented, clear and concerned with improvement work

- Network-building and solution-oriented
- A good communicator with natural authority and impact

... then of course it does not matter if you recognize yourself in our [overall goals and values](#)

### **We offer**

- An attractive top management position in a company with a real focus on sustainability
- Close collaboration with good colleagues in Norway and internationally
- Good development and influence opportunities
- Clear focus on social responsibility, sustainability and healthy values

### **Contact | Privacy | Tips**

- Please feel free to [contact](#) Frank Amundlien or Stefan Jensen in SelectionPartner for a pleasant and conventional dialogue
- We take good care of your information - see information about [privacy](#)

### **Application**

Please apply as soon as possible via [user-friendly method](#)
